I wonder who you are And if you feel alright Oh can you hear me talking My unborn little child For your mother and me Life won't be the same I try to give my best for you As loving as I can [CHORUS] Because you're all I have my child You're my life my joy my pride And when you need me I'll be there for you Because you're all I have my child You're my life my joy and you're my pride My deepest love I'll always be with you I promise to It's hard to realize That everything will change There'll be no day without you child I feel a little strange But your mother and me Give all our love to you We're looking foward to you babe Oh God knows that we do

Oh life will never be the same This is more than just a game I'll give you all the love I can
