

Only Love

2 a.m and the rain is falling
Here we are at the crossroads once again
You're telling me you're so confused
You can't make up your mind
Is this meant to be
You're asking me

But only love can say
Try again or walk away
But i believe for you and me
The sun will shine one day
So i just play my part
Pray you'll have a change of heart
But i can't make you see it through
That's something only love can do

In u'r arms as d dawn is breaking
Face 2 face & a thousand miles apart
I've tried my best to make you see
Theres hope beyond the pain
If we give enough
If we learn to trust

But only love can say
Try again or walk away
But i believe for you and me
The sun will shine one day
So i just play my part
Pray you'll have a change of heart
But i can't make you see it through
That's something only love can do

I know if I could find the words
To touch you deep inside
You'll give our dreams just 1 more change
To let this be our last goodbye

But only love can say
Try again or walk away
But i believe for you and me
The sun will shine one day
So i just play my part
Pray you'll have a change of heart
But i can't make you see it through
That's something only love can do

That's something only love can do
