

# Shattered

## Trading Yesterday

Yesterday I died, tomorrow's bleeding  
Fall into your sunlight  
The future's open wide beyond believing to know why hope dies  
Losing what was found, a world so hollow  
Suspended in a compromise  
The silence of this sound is soon to follow  
Somehow sundown

And finding answers is forgetting  
All of the questions we called home  
Passing the graves of the unknown

Reason clouds my eyes, with splendour fading  
Illusions of the sunlight  
A reflection of a lie will keep me waiting  
With love gone for so long

And this day's ending is the proof of time killing all the faith I know  
Knowing that faith is all I hold

and i've lost who i am and i can't understand  
why my heart is so broken, rejecting your love.  
without love gone wrong, lifeless words carry on  
but i know, all i know, is that the end's beginning  
who i am from the start,  
take me home to my heart.  
let me go and i will run, i will not be silent.  
all these time spent in vain, wasted years, wasted game  
all is lost, hope remains and this war's not over.  
there's a light, there's a sun  
taking all shattered ones to the place we belong and his love will conquer.  
(repeat 2x)

Yesterday I died, tomorrow's bleeding  
Fall into your sunlight
