## **Shattered**

## **Trading Yesterday**

Yesterday I died, tomorrow's bleeding Fall into your sunlight The future's open wide beyond believing to know why hope dies Losing what was found, a world so hollow Suspended in a compromise The silence of this sound is soon to follow Somehow sundown

And finding answers is forgetting All of the questions we called home Passing the graves of the unknown

Reason clouds my eyes, with splendour fading Illusions of the sunlight A reflection of a lie will keep me waiting With love gone for so long

And this day's ending is the proof of time killing all the fait h I know Knowing that faith is all I hold

and i've lost who i am and i can't understand why my heart is so broken, rejecting your love. without love gone wrong, lifeless words carry on but i know, all i know, is that the end's beginning who i am from the start, take me home to my heart. let me go and i will run, i will not be silent. all these time spent in vain, wasted years, wasted game all is lost, hope remains and this war's not over. there's a light, there's a sun taking all shattered ones to the place we belong and his love w ill conquer. (repeat 2x)

Yesterday I died, tomorrow's bleeding Fall into your sunlight
