

## Beware

Trae tha Truth

I know you haters better run, I'm coming for you  
And everyday a nigga repping, and riding for Screw  
I was keeping it in my chest, now I'm getting it out  
I know you spectators in the game, better close your mouth  
I got a lot of my time invested, up in this game  
It's S.U.C. till I'm dead, ain't no need to explain  
I'm in the Maab with guerillas, and we coming in packs  
The only friends we got deep, and coming with black gats  
So niggaz'd back back, I'm a man dude with a attitude  
And I'm too quick to click, Lil' Trae is a damn fool  
In my zone leave me alone, I ain't trying to be fucked with  
Everything that I got, is everything that I want to roll with  
Me and me and myself, you niggaz bad for my health  
Now I'm pumped up like Superman, with a uppercut to be felt  
I ain't playing with what I'm saying, you cats better start praying  
For Deebo commits to spraying, and everybody be staying

Why, these fellas talking down  
Don't they know, why we'll ride  
And make somebody slide, beware  
Why, these fellas talking down  
Don't they know, why we'll ride  
And make these bustsas hot, beware

I'm chilling in my 1's, chopping game on my celly  
My iced out cross, hanging down to my belly  
Got your lil mama, butt naked shake her jelly  
I'ma put her on a tape, and play it back on the telly  
Boys hate to love the street show, when we showing up  
I give me back the same middle finger, they be throwing up  
They can't afford the pints, by the case that we po'ing up  
Young in the game, it's time to start growing up  
Get you some hustle, get you some grind  
Show me some muscle, show me some shine  
Fuck trying to crime, off another nigga name  
It's just a matter of time, 'fore I run you out the game  
Because I can't believe the nerve, of these hoes  
Trying to use my nigga Pimp name, for benefit shows  
Fin to start kicking in do's, with the macks  
Trying to let that shit pass, now I'm coming for your ass fool

It's the return of the mad rapper, industry nigga subtracter  
That be greed up in the fists, that be clinched like a black panther  
I'm sick and tired of you fakers, that try to twist up the game  
So now you gotta see me, like the 84's that I swang  
My glock I cock and I aim, my name you fin to respect it  
You let me off in your world, then I swear to God I'ma wreck it  
You must of thought I forgot about you, acting sue a crowd'll watch you  
I gotta get that up out you, your people gon be without you  
On top of that, niggaz be using my homie name  
Saying the Screwed Up Click, so they can get them a little change  
Hopping from dick to dick, and I ain't even gon say no name  
I feel like I want to click, so now you gon feel my pain  
I'm Trae, and I ain't bar nan nigga in this drama  
Or mama, I weave and I swang sending em through a trauma  
They tell me to let em make it, but really I ain't the one  
Them bitches did it, so now they gotta see me when I come

Where the real niggaz at, cause I can't find none  
Everybody be talking shit, when they be packing they guns  
Quick to shoot a motherfucker, to keep they face from sweating  
But when the laws come to bang one, snitching and telling  
Be these ol' buster ass niggaz, killing all in they music  
Showing a four pound around town, but never gon use it  
I'm registered by my gangsta, you barely touching me G  
Now feel you got the edasity, to come and see me  
Fuck it whoever want to get some, can come and get dropped  
I'm a grown man I don't get people sued, I get people shot  
If you ain't shot, I wonder who gon be standing behind the trigga  
Z-Ro the Crooked, cause ain't no love for none of these niggaz  
Straight Profit to Presidential, trying to scandalize my name  
They can't sell records without me, that's a god damn shame  
I ain't to blame, why these niggaz ain't selling and losing weight  
But I'm to blame, when I go off and get the bruising they face

Make a nigga hot, yeeeah  
Why you want to hate me, S.U.C.  
You niggaz can't be meeee  
My nigga T-are-A-E  
And that's the way it's gonna be  
Until a motherfucker take me  
Me, and the M double A-be  
We gon be thugging  
Until we see you niggaz to see

Straight up, it's my cousin Trae nigga  
These bitch ass niggaz can't fuck with you

[Chorus]
