Hidden Treasure

Traffic

Take a walk down by, take a walk down by the river There's a lot that you, there's a lot that you can learn If you've got a mind that's open, if you've got a heart that ye arns

If you listen to, if you listen to the water You will hear the sound, you will hear the sound of life

There's a million different voices, there is happiness and stri fe

Message in the deep, from a strange eternal sleep That is waiting there, that is waiting there for you Like hidden treasure
