

# Bloodstained Endurance

## Trail of Tears

Well, it turns out to be  
a simple behavior of ignorant disloyalty  
Now tell me!

Protest all life in lack of connection  
Challenge the soul on the eve of despair  
I might be black from grief yet I am white at heart  
My bloodstained endurance will set me apart

(Chorus:)

Deception grows and malice continues  
Descend with pride, to pleasure your needs  
Deny your thoughts, unbreakable silence  
You're nothing more...  
A pitiful, ignorant, devious, meaningless fool

Feel your fatal deceit  
The consequence rages straight through your face of  
disgrace  
Just take it!

Protest all life...

(Chorus:)

Deception grows and malice continues  
Descend with pride, to pleasure your needs  
Deny your thoughts, unbreakable silence  
You're nothing more...  
A pitiful, ignorant, devious, meaningless fool
