

Bloodstained Endurance

Trail of Tears

Well, it turns out to be
a simple behavior of ignorant disloyalty
Now tell me!

Protest all life in lack of connection
Challenge the soul on the eve of despair
I might be black from grief yet I am white at heart
My bloodstained endurance will set me apart

(Chorus:)

Deception grows and malice continues
Descend with pride, to pleasure your needs
Deny your thoughts, unbreakable silence
You're nothing more...
A pitiful, ignorant, devious, meaningless fool

Feel your fatal deceit
The consequence rages straight through your face of
disgrace
Just take it!

Protest all life...

(Chorus:)

Deception grows and malice continues
Descend with pride, to pleasure your needs
Deny your thoughts, unbreakable silence
You're nothing more...
A pitiful, ignorant, devious, meaningless fool
