

## Eggplant

Train

Scarlet your eyes, cover your face  
If I could dance, or stay in this place  
I would be King and you would be mine  
I would be day and you would be time

Eggplant and Caviar for you  
For you, for you, for you  
Eggplant and Caviar for you

Hold up my wings cause you are the sky  
Paint me by numbers and don't ask me why  
I am in bloom and you are perfume  
And you are perfume and you are

Eggplant and Caviar for you  
For you, for you, for you  
Eggplant and Caviar for you  
for you, for you, for you - ah, ah, ah, ah

Apple Pie or Apple seed,  
All the mouths that I must feed  
Cold sheets or tumbleweed  
All the ones that I must need

I would be King and you would be mine  
I would be nine and you would be Mother Time

Eggplant and Caviar for you  
For you, for you, for you  
Eggplant and Caviar for you  
for you, for you, for you - ah, ah, ah, ah

Apple Pie or Apple seed,  
All the mouths that I must feed  
Cold sheets or tumbleweed  
All the ones that I must need  
All the ones that I must need  
All the ones that I must need  
All the ones that I must need  
All the ones that I must need
