

For Me, It's You

Train

If I ever find truth I'm gonna let you know
If I ever find faith I'm gonna sit in every bit of its afterglow
If I ever find a way to bring love here today
You better bet your life that this is what I'll say
Give it if you've got it
Get it if you don't

Take my hand in the meantime
And let's walk into the sunshine
Everybody got something that they want to sing about, laugh about, cry about
It's true
For me it's you

Give it away, give it away, give it away
If it's something that you got layin' round your house
Man let me tell ya if ain't a kiss
It's something you'll never miss
Give it to somebody that don't have a thing layin' round like a prayer or a sweet sound
Give it if you've got it
Get it if you don't

Take my hand in the meantime
Let's walk into the sunshine
Everybody got something that they want to sing about, laugh about, cry about
It's true
For me it's you

Na na na na na na na na
For me it's you
Na na na na na na na na
For me it's you
Na na na na na na na na
For me it's you
Na na na na na na na na

Give it to somebody that don't have a thing
Ain't got soft shoes to dance or a love song to sing - no
Get yourself on the right track
Let somebody ride your back for a while

If I ever find truth I'm gonna let you know
You better bet your life if this is what I'm gonna say just give it a way
You can't take it where you're goin anyway

Take my hand in the meantime
And let's walk into the sunshine
Everybody got something they want to sing about, laugh about cry about it's true

For me it's you
Na na na na na na na na
