I Am

I never been on a railroad, as many times as they pass me by I never crashed in the desert or seen a rodeo I don't know much about the world wars or Vietnam I've yet to read about Uncle Tom Never climbed a real rock or seen Colorado

Am I the son I think I am Am I the friend I think I am Am I the man I think I wanna be - hey

I never had a day where money didn't get in my way I never listened to much Elvis I can't remember a warm December

Am I the son I think I am Am I the friend I think I am Am I the man I think I wanna be

I'm here for my sanity sanity I am here for you I'm here for your fantasy sanity, I am here I am

Am I the son I think I am Am I the father that I think I am Am I the man I think I wanna be

I'm here for my sanity sanity I am here for you Whether or not I'm walkin in Or whether or not I'm walkin out I'm always here for you

And I'm here for my sanity sanity I am here for you I'm here for my fantasy sanity, I am here I am
