

# I'm Drinkin' Tonight

Train

I've been walking straight too long  
On a thin sharp line, fading, almost gone  
Feeling my shadow get close, even it knows there's a hard rain comin' on

AAAAH

I'm drinkin' tonight  
Gonna give up the fight  
The only thing stronger than you is whiskey

AAAAH

I'm lovin' you in  
The ghost of my sin  
And the taste of goodbye on your lips when you kissed me  
'Til I can't take anymore  
Poison's a cure

To hell with your memory, gonna burn it down  
I choke back tears 'til I damn near drown  
What do you do with a man  
With dirt on his hands and a deep hole dug in the ground

AAAAH

I'm drinkin' tonight  
Gonna give up the fight  
The only thing stronger than you is whiskey

AAAAH

I'm lovin' you in  
The ghost of my sin  
And the taste of goodbye on your lips when you kissed me  
'Til I can't take anymore  
Poison's a cure

I'm chasing my demons with a shot of Crown  
Let 'em all have their way  
'Til I see the light of day

But tonight

I'm drinkin' tonight  
Gonna give up the fight  
The only thing stronger than you is whiskey

AAAAH

I'm lovin' you in  
The ghost of my sin  
And the taste of goodbye on your lips when you kissed me  
I can't take anymore  
I hope the poison's a cure  
I can't take anymore  
I hope the poison's a cure
