

## If It's Love

Train

While everybody else is getting out of bed  
I'm usually getting in it, I'm not in it to win it  
And there's a thousand ways you can skin it

My feet have been on the floor flat like an idle singer  
Remember winger, I digress  
I confess you are the best thing in my life

But I'm afraid when I hear stories about a husband and wife  
There's no happy endings, no Henry Lee  
But you are the greatest thing about me

If it's love  
And we decide that it's forever  
No one else could do it better

If it's love  
And we're two birds of a feather  
Then the rest is just whenever

And if I'm addicted to loving you  
And you're addicted to my love too  
We can be them two birds of a feather that flock together

Love, love  
Got to have something to keep us together  
Love, love  
That's enough for me

Took a loan on a house I own  
Can't be a queen bee without a bee throne  
I wanna buy you everything except cologne 'cause it's poison

We can travel to Spain where the rain falls  
Mainly on the plain side and sing  
'Cause it is we can laugh, we can sing  
Have ten kids and give them everything

Hold our cell phones up in the air  
And just be glad that we made it here alive  
On a spinning ball in the middle of space  
I love you from your toes to your face

If it's love  
And we decide that it's forever  
No one else could do it better

If it's love  
And we're two birds of a feather  
Then the rest is just whenever

And if I'm addicted to loving you  
And you're addicted to my love too  
We can be them two birds of a feather that flock together

Love, love  
Got to have something to keep us together

Love, love  
That's enough for me

You can move in, I won't ask where you've been  
'Cause everybody has a past  
When we're older we'll do it all over again

When everybody else is getting out of bed  
I'm usually getting in it, I'm not in it to win it  
I'm in it for you

If it's love  
And we're two birds of a feather  
Then the rest is just whenever  
Then the rest is just whenever

If it's love  
And we decide that it's forever  
No one else could do it better

And if I'm addicted to loving you  
And you're addicted to my love too  
We can be them two birds of a feather that flock together

Love, love  
Got to have something to keep us together  
Love, love  
Got to have something to keep us together  
Love, love  
That's enough for me
