

Ordinary

Train

Whose eyes am I behind
I don't recognize anything that I see
Whose skin is this design
I don't want this to be the way that you see me

I don't understand anything anymore
In this world that I'm tired of
Is taking me right up these walls
That I climb up
To get to your story
It's anything but ordinary

And when the world is on its knees with me its fine
And when I come to the rescue I get nothing but left behind
Everybody seems to be getting what they need where's mine
'Cause your what I need so very but im anything but ordinary

Can you save me from this world of mine
Before I get myself arrested with this expectation
You are the one look what you've done
What have you done?
This is not some kind of joke
You're just a kid
You weren't ready for what you did

And when the world is on its knees with me its fine
And when I come to the rescue I do it for you time after time
Everybody seems to be getting what they need where's mine
'Cause you what I need so very but im anything but ordinary

I think im trying to save the world from you
You've been saving me too
We could just stay in and save each other

Im anything but ordinary
(ordinary)
Im anything but ordinary
