

# The Bridge

Train

What you wanna do?  
What you wanna do? (Jump or burn it down)  
What you wanna do?  
What you wanna do? (Jump or burn it down)

We're at the bridge, together once more  
We crossing over like we've done before  
We can start a fire, go up in smoke  
Jump into the water, do the back stroke  
We're at the bridge, I love this view  
But I don't know if I can cross again with you  
We can start a fire, go up in smoke  
Jump into the water, do the back stroke

Come on, what's it gonna be?  
Come on, what's it gonna be?

I've got a feeling, you and I are the reason  
Burn it down, to the ground  
I need to know if you want me to  
Jump or burn it to the ground  
I've got to know now  
Are you and I gonna go down in flames or drown?  
I need to know if you want me to  
Jump or burn it to the ground

This is what happens when you burn down a bridge  
You jump into the fire or you learn to swim  
This is what happens when you burn down a bridge  
You jump into the fire or you learn to swim

Here at the bridge of loving you  
Pushing one another's all we know how to do  
We can start a fire, go up in smoke  
Jump into the water and do the back stroke  
Right from the start, hot and cold  
Might get crazy but it never gets old  
We can start a fire, go up in smoke  
Jump into the water and do the back stroke

Come on, what's it gonna be?  
Come on, what's it gonna be?

I've got a feeling, you and I are the reason  
Burn it down, to the ground  
I need to know if you want me to jump or burn it to the ground  
I've got to know now  
Are you and I gonna go down in flames or drown?  
I need to know if you want me to jump or burn it to the ground
