Train

My funny valentine
I know what's on your mind
I know that you cry sometimes
Ooh, oh, oh

Baby, it's all in your head Do you remember what I said? When we sat there on your bed Ooh, oh, oh

That I, I'm never gonna tell ya' lies I'll always stand by your side So when're ya' gonna realize?

I'm never gonna say goodbye
I'm never gonna say goodbye
'Cause, baby, you're my valentine

Oh, baby, if you lose I would do anything for you Even when I'm old, and blue Ooh, ooh, ooh

Gonna prove it everyday All night in every way Gonna show you what I say Is true, ooh, ooh

That I, I'm never gonna tell ya' lies I'll always stand by your side So when're ya' gonna realize?

I'm never gonna say goodbye
I'm never gonna say goodbye
'Cause, baby, you're my valentine
'Cause, baby, you're my valentine
'Cause, baby, you're my valentine

That I, I'm never gonna tell ya' lies I'll always stand by your side So when're ya' gonna realize?

I'm never gonna say goodbye
I'm never gonna say goodbye
'Cause, baby, you're my valentine
'Cause, baby, you're my valentine
'Cause, baby, you're my valentine
