

Drinkin' in the Morning

Trampled by Turtles

I work all day
Little darlin'
Work the nighttime, too
And all the money I make
Is in my pocket
It's comin' home to you

Still you're gone
When I get home
You're runnin' downtown again
And girl I'm lonesome
Like the whistle
On a Sunday mornin' train

Now you've got me drinkin' in the morning
No need to wait for noon
I said boys you know that wintertime
Will sure be comin' soon

Now I lost my job
I was workin'
Ain't got a friend left in the world
And it's all because
Of a no-good
Dirty cheatin' girl

Now you've got me drinkin' in the morning
No need to wait for noon
Well, I said boys you know that wintertime
Will sure be comin' soon

Now I'm broke
Down and dirty
I waste my time over you
Leave me alone
Don't you come callin'
'Cause I ain't callin' you

Now you've got me drinkin' in the morning
No need to wait for noon
Well, I said boys you know that wintertime
Will sure be comin' soon

Well, I said boys you know that wintertime
Will sure be comin' soon
