

# Always Find Me Here

Transit

Eyes so strange,  
Time goes by,  
Watch you fall, again.

Hold you close,  
Don't let go,  
Hear my call, afraid.

I don't want to be the one, this time.  
I don't want to be the one this time.

Eyes so strange,  
Time goes by,  
Watch you fall, again

Hold you close,  
Don't let go,  
Hear my call, afraid.

And I'll say grace for where you are,  
I want you to know,  
You will always find me here.

Days go by,  
Lost in time,  
Night time calls, again.

I don't want to,  
I don't want to be the one, this time.

And I'll say grace for where you are,  
I want you to know,  
You'll always find me here.

You'll always find me here,  
I'm here,  
I'm here without you,  
I'm here without you,  
You'll always find me here.  
You'll always find me here.

Eyes so strange,  
Time goes by,  
But you'll always find me here,  
You'll always find me here.
