

Bright Lights, Dark Shadows

Transit

Save me if I start to slide
Believe me when I say goodnight
Don't wake me tomorrow... don't come wake me come tomorrow
Sway me to that simple life
Don't tell me with those sleepless nights
Don't wake me tomorrow... don't come wake me come tomorrow

From these bright lights, and dark shadows...
Can you mask the pain if you don't believe in it?
Set the stage when you know who you side with
Nobody likes a liar, no, nobody likes a liar

Save me when I start to slide
Believe me when I say goodbye
Don't wake me tomorrow... don't come wake me come tomorrow
Let me find some piece of mind that lets me leave the past behind
Don't wake me tomorrow... don't come wake me come tomorrow

From these bright lights, and dark shadows...
Can you mask the pain if you don't believe in it?
Set the stage when you know who you side with
Nobody likes a liar, no, nobody likes a liar

Can you mask the pain if you don't believe in it?
Set the stage when you know who you side with
Nobody likes a liar, no, nobody likes a liar

Stay with me, stay with me, stay
I should've let you in
Stay with me, stay with me, stay
I'll never lose you again

Can you mask the pain if you don't believe in it?
Set the stage when you know who you side with
Nobody likes a liar, no, nobody likes a liar

Can you mask the pain if you don't believe in it?
Set the stage when I know who you side with
Nobody likes a liar, no, nobody likes a liar

Stay with me, stay with me, stay.
