

# Baby I Don't Care

Transvision Vamp

Well you can give me all your love  
And anything else you got too  
But don't pay it any mind  
If it seems like I'm acting cool  
Well you can dress me in your mirror  
Give me kisses forever and a day yeah  
But there's just one thing  
You don't have to say  
You don't have to say you love me  
And you don't have to say any prayers  
No you don't have to say you love me  
Baby it's alright  
Cos honey I don't care  
Oh baby I don't care  
Oh honey I don't care  
Oh honey I don't care  
Well you can turn the lights down low  
Some things are better that way  
And you can tell me all your stories  
But please spare me details  
Cos you don't have to say you love me  
And you don't have to save any tears  
No you don't have to say you love me  
Baby it's alright  
Cos honey I don't care  
Oh honey I don't care  
Oh baby I don't care  
Oh honey I don't care  
Deep in your eyes  
I see your thoughts  
I know you want me  
Sometimes it hurts  
But you know that some things  
Are best left never said  
Cos you don't have to say you love me  
And you don't have to say you care  
No you don't have to say you love me  
Baby it's alright  
Cos honey I don't care  
Oh when I tell you baby  
I don't care  
Oh baby please believe me  
I don't care  
Oh when I tell you baby  
I don't care  
Oh baby please believe me  
I don't care  
Oh baby please believe me  
Don't you see that I don't care  
I don't care  
Oh honey I don't care  
You know, you know that I don't care  
You know, you know  
That you don't have to say you love me  
And you don't have to say you care  
No you don't have to say you love me  
Baby it's alright, oh honey it's alright

Oh baby I don't care
