

Born To Be Sold

Transvision Vamp

From Elvis Presley to Marilyn
Cassius Clay to Billy the Kid
Ooh ooh ooh ooh
Ooh ooh ooh ooh
From Jackie O to J.F.K.
Little Richard and Lady Day
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Everyone played a different role
Baby they were born to be sold
They were born to be sold
They were born to be sold
Now all I know is all I see
And what I am I choose to be
I don't need no one to bleed for me
I'm gonna make my own history
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Here comes the news
Here comes the news
Baby, here comes the news, alright
I was born to be sold
All you hot shot, big buck
Sweet talking, side walking
Foot tapping, tail wagging
Back stabbing, money grabbing
Slaves of gold
I'm telling you, I don't need to be told
I cross my heart, rock my soul
Baby I was born to be sold
I was born to be sold
I was born to be sold
I was born to be sold
From Valentino to Fonteyne
Al Capone to John Wayne
From Harley D to Lenny Bruce
Harry Dean to Betty Blue
From Sister Sue to Judy Teen
Marty Wilde to Morrissey
From Johnny Rotten to Charlie Chaplin
Madonna Ciccone to Little Satnin
And back to Elvis and Marilyn
Sugar Ray and Billy the Kid
Jackie O J.F.K.
Little Richard and Lady Day
I was born to be sold
I was born to be sold
I was born to be sold
