

Sweet Thing

Transvision Vamp

All you've gotta do
Is be true
Is baby, oh be true to me
All you gotta say
Is hey, hey, hey, hey
Buzz, buzz, buzz
I'm your honey bee

Oh I'm your honey bee
Hey, that's me
And if you want my kiss
All you gotta do is

Be a Sweet Thing
Sweet, Sweet Thing
Be a Sweet Thing to me

It doesn't matter how
It doesn't matter why
'Cause I can see the truth in your eyes

And what you've had to know
It always shows
Like the stars in the sky
Your's never lie

Cause you're a Sweet Thing
Sweet, Sweet Thing
You're a Sweet Thing to me

Now when you're driving in your car
Driving down by my heart
Oh honey don't drive too far

'Cause if you drive too far
You'll miss my heart
But if you go right past
All you gotta do is stop

Be a Sweet Thing
Sweet, Sweet Thing
Be a Sweet Thing to me

Be a Sweet Thing to me, to me
Sweet Thing, Sweet Thing
Be a Sweet Thing to me, to me
Be a Sweet Thing to me, Sweet Thing
Be a Sweet Thing to me, Sweet Thing
Be a Sweet Thing to me
Sweet Thing, Sweet Thing
Sweet Thing, I Love You
Sweet Thing, be a sweet thing to me
Sweet Thing
