

# The Only One

Transvision Vamp

I'm standing on the edge of the world  
All by myself  
Thinking about you and no one else  
Cos you're the one  
You're the only one  
Yeah you're the one  
You're the only one  
You're the only one that could mess me up  
And kick me down  
Put an arrow through my heart  
And twist it all around  
Ooh you're the only one  
I've been walking all through the night  
And dreaming all day  
I ain't got nothing left to say  
Except you're the one  
You're the only one  
Yeah you're the only  
You're the only one  
You're the only one that would pin me up  
Just to rip me down  
Take your place in my heart  
And turn it upside down  
Ooh, You're the only one  
You're the only one  
You're the only one  
You're the only one  
You're the only one  
Yeah it's true  
You're the only one  
And I want you  
You're the only one  
I'm standing on the edge of the world  
All by myself  
Thinking 'bout you and no one else  
Cos you're the one  
You're the only one  
Yeah you're the only one that would pin me up  
Just to rip me down  
Put an arrow through my heart  
And turn it all around  
Ooh you're the only one  
You're the only one  
You're the only one  
You're the only one  
You're the only one  
You're the only one  
To put an arrow in my heart  
You're the only one
