

# Hollowman

## Trapt

I can't remember  
The last time you cared about anything  
The last time you allowed yourself to be seen  
so pretentious your lies unrelenting disguise  
Creating tears in your eyes your mind withers and dies  
pretending to be something you are not  
somewhere in the middle you are now caught  
You've never seen who you really are  
No life breathes in you  
All the time you laugh you wait you cry  
No part of your life is true  
All the time your life passes you by  
I don't ever want to see I don't ever want to be like you, Holl  
ow Man  
I don't care what you give  
Hollow man you can't live like this  
Your voice is just a whisper  
You call upon your blank thoughts as you try  
To fit in where you missed her  
You missed the chance to stop living a lie
