

Use Me to Use You

Trapt

It's hard to trust a stranger,
but you're a stranger to yourself
so who's to blame?
Drown away emotion,
as you numb yourself from any real
pain.

There's nothing more real,
and nothing's what it seems.
We're always caught in between!
There's nothing left to feel,
but still you can not leave.
You don't know what you need.

And I know that you use me to use you,
And I know that you use me to use you,
And I know that you use me to use you,
To use you... (yeah)

Hopeing it's a ritual,
the walls you build around us feel
safe!
Silence's always comfortable,
is this the only reason that you
stay!

There's nothing more real,
and nothing's what it seems.
We're always caught in between!
There's nothing left to feel,
but still you can not leave.
You don't know what you need.

And I know that you use me to use you,
And I know that you use me to use you,
And I know that you use me to use you,
And I know that you use me!

Feel your arms around me,
wondering where this will go.
I feel your arms around me,
will you ever want this like I do.

And I know that you use me to use you,
And I know that you use me to use you,
And I know that you use me to use you,
And I know that you use me!

And I know that you use me to use you,
And I know that you use me to use you,
To use you,
To use you,
To use you!
