

When All Is Said and Done

Trapt

You have a chance to really shine now
Well patience never was one of your true virtues
Stop trying to control everything and f*** what they say,
what do you have to prove?
So why am I waiting, this life that I'm wasting, if that's what
you mean
So why am I waiting, Yeah, this life that I'm wasting, if that's
what you mean
How will this be when all is said and done, will I know where I
'm from remember me
Where will I be, I guess I'm on the run and time is catching up
behind me, behind me , yeah, behind me yeah, behind me
I'm scared to be the only one who sees
The hourglass run dry 'cause too much time went by
Why do I try to prove that I will be ready for everything throw
n at me
So why am I waiting, this life that I'm wasting, if that's what
you mean
So why am I waiting, Yeah, this life that I'm wasting, if that's
what you mean
How will this be when all is said and done, will I know where I
'm from remember me
Where will I be, I guess I'm on the run and time is catching up
behind me yeah
How will this be when all is said and done, will I know where I
'm from remember me, yeah
Where will I be, I guess I'm on the run and time is catching up
behind me
These thoughts trickle down, imaginary lines cut through the gr
ound(2x)
So why am I waiting, this time that I'm wasting, if that's what
you mean
So why am I waiting, this time that I'm wasting, if that's what
you mean, yeah
How will this be when all is said and done, will I know where I
'm from remember me
Where will I be, I guess I'm on the run and time is catching up
behind me yeah
How will this be when all is said and done, will I know where I
'm from remember me, yea
Where will I be, I guess I'm on the run and time is catching up
behind me
