

Calling all vultures of virtue and mongers of hate  
Sado-machismo in robes forsaken saints  
Attention adders of the altar and crooks of the cloak  
Forever fleecing followers unyielding shields of smoke  
Abuse the poorhouse pursue the pope of poverty  
An empty penance dish a paltry effort indeed  
All beasts of burden remain betrayed by grace  
Selective solace only comes to those who pay  
Vultures of virtue tear into sinning saints
