

## Well Of Souls

### Trash Talk

Devoid of faith, we have been forced to walk the path that no one takes.

Been raped and left to take the pain. A life amongst the flames

.

For what? For nothing. All for nothing.

Stray from the path and they will break your fucking back.

No longer son of man. I son of a bitch. Exclaim. Attack.

Cut me; I won't bleed. Choke me; I won't breathe.

Shoot me.

Suck Me.

Stab Me.

Fuck Me.

Kneel before me.

I have swallowed god.

I am alone
