Unexpected Lie

All you waited for is journey Journey to private heaven The dream about happiness Appears as unexpected lies Silent killer moves through vein Torment without end Hell means nothing When dependence prevails For blinded losers Life as undead There is no place For divine intervention Standing in pain Surrounded by walls of ignorance I was trying to set my teeth But I lost control I failed to achieve Purposes from my plan So I closed my eyes Falling into chasm Unexpected lie Promise of better life Smooth-bore friend And all problems passed away!
