

We Are Never Ever Getting Back Together

Travis Garland

I remember when we broke up the first time
Saying, "This is it, I've had enough," 'cause like
We hadn't seen each other in a month
When you said you needed space.
Then you come around again and say
"Baby, I miss you and I swear I'm gonna change
Trust me, remember how that lasted for a day"
I say, "I hate you, we break up," you call me, "I love you"
Oooh we called it off again last night
This time I'm telling you, I'm telling you
We are never ever ever getting back together
We are never ever ever getting back together
You go talk to your friends, talk to my friends, talk to me
Cause we are never ever ever ever getting back together
I'm really gonna miss you picking fights
And me, falling for it screaming that I'm right
And you, would hide away and find your piece of mind
With some indie record that's much cooler than mine
Oooh, you called me up again tonight
This time I'm telling you, I'm telling you
We are never ever ever getting back together
We are never ever ever getting back together
You go talk to your friends, talk to my friends, talk to me
Cause we are never ever ever ever getting back together
I used to think that we were forever ever ever
And I used to say never say never
Huh, so she calls me up and she's like, "I still love you"
And I'm like, "I just, I mean this is exhausting, you know
We are never getting back together, like ever"
We are never ever ever getting back together
We are never ever ever getting back together
You go talk to your friends, talk to my friends, talk to me
Cause we are never ever ever ever getting back together
We are not getting back together,
We oh, not getting back together
You go talk to your friends, talk to my friends, talk to me
But we are never ever ever ever getting back together
