We Are Never Ever Getting Back Together

Travis Garland

I remember when we broke up the first time Saying, "This is it, I've had enough," 'cause like We hadn't seen each other in a month When you said you needed space. Then you come around again and say "Baby, I miss you and I swear I'm gonna change Trust me, remember how that lasted for a day" I say, "I hate you, we break up," you call me, "I love you" Oooh we called it off again last night This time I'm telling you, I'm telling you We are never ever ever getting back together We are never ever ever getting back together You go talk to your friends, talk to my friends, talk to me Cause we are never ever ever getting back together I'm really gonna miss you picking fights And me, falling for it screaming that I'm right And you, would hide away and find your piece of mind With some indie record that's much cooler than mine Oooh, you called me up again tonight This time I'm telling you, I'm telling you We are never ever getting back together We are never ever getting back together You go talk to your friends, talk to my friends, talk to me Cause we are never ever ever getting back together I used to think that we were forever ever ever And I used to say never say never Huh, so she calls me up and she's like, "I still love you" And I'm like, "I just, I mean this is exhausting, you know We are never getting back together, like ever" We are never ever getting back together We are never ever ever getting back together You go talk to your friends, talk to my friends, talk to me Causewe are never ever ever getting back together We are not getting back together, We oh, not getting back together You go talk to your friends, talk to my friends, talk to me But we are never ever ever ever getting back together
