Clean black boy, white boy clothes
Black boy, white boy style
Makes the black girl, white girl notice me
Everybody looking like what do I have on
If you wanna know just pay attention to dis song
Black boy (black boy, white boy)
White boy (black boy, white boy)
Black boy (black boy, white boy)
White boy (black boy, white boy)

Black boy, white boy style
They screaming at my show now the white hoes going wild
You can call me Mr. Porter
Black boy, white boy stitches
Eagle on my chest and my Levi britches

See me in the club throwing black boy, white boy riches

White boy and I dress so sporty, man
Black boy white boy short like they sword is on me, man
