If it's dance I throw it all
Fuck it, I don't give a fuck
In KO dealin' with my whole team
Flood that bitch like the water on
Rain rain thunderstorm
Louie stealin' all my dough
Four, five in the mor'
Four, five chain zone
Tittie to the sweet
Me and chico racing Range Rovers
My valet paid him with a bunch of money
Tuesday night and I'm a fuzzy jumping
Turned up, bottles keep them coming
Weather man make it rain money

Bills in my bank roll
All night spending pesos
Now my goons and my arms arive
Will Rockefeller no Jay Ko

Throwing it up while she hit the floor
So me and the ones we flood this shit
Let the covers up, my joint falls
