Plus on tv all of dis success she gets no benefits  
Callin me like back to back, baby girl was up with dat  
Got damn you fine before I signed you wasn't even try'n to give me that cat  
Now shit done changed you feelin strapp  
Hold up boo I'm not doe,  
Cheese if you want to but dis dick is nachos (not yours)  
Tryna cuff me up tryna cake up  
Got mah sheets fuhked up from ha make up  
You cool but shorty ion need all that  
Relax it don't gotta be all that  
What we do behind closed doors keep it like that  
She text me "I miss you" but I ain't write back

Cause I'm a heart breaker!

You like boo what's up with that  
You miss me ion miss you back  
Cause I'm a heart breaker!  
This here is a one night thing  
And I ain't lookin for no rings  
And I don't mean to play no games  
With your heart heart heart don't mean to break your heart baby  
But I'm a heart breaker, dis here is a one night thing  
And I ain't lookin for no ring, and I don't mean to play no games

I'm in the club like Saturday girl what yo name is?  
Ooh you lookin good well is you famous?  
Well I'm "quezy yo da heart breaker"  
All my pillows white so take off your make up (and do it awl)  
I'm a lay you down I hope you do yo part  
Please don't put your love in my hand I'm might drop your heart  
And when all the feelings surface  
You see it wasn't working  
In fact baby girl I'll drop your heart on purpose

Cause I'm a heart breaker!  
Txt me ion txt you back  
You like boo what's up with that  
You miss me ion miss you back  
Cause I'm a heart breaker!  
This here is a one night thing  
And I ain't lookin for no rings  
And I don't mean to play no games  
With your heart heart heart don't mean to break your heart baby  
But I'm a heart breaker, dis here is a one night thing  
And I ain't lookin for no ring, and I don't mean to play no games

I love you girl, but I ain't your lover  
We fuhkin girl but we gotta use a rubber  
Can't spend the night cause I ain't tryna cuddle  
And she can't find another nigga like me  
So she sprung sprung sprung, yeah  
She can't leave me alone, yeah!  
It's like I shot her down, rite in the heart

I broke it down and split her feelings apart (hey)

Cause I'm a heart breaker!

Txt me ion txt you back

You like boo what's up with that

You miss me ion miss you back

Cause I'm a heart breaker!

This here is a one night thing

And I ain't lookin for no rings

And I don't mean to play no games

With your heart heart heart don't mean to break your heart baby

But I'm a heart breaker, dis here is a one night thing

And I ain't lookin for no ring, and I don't mean to play no games
