Look, I walk in, shorty start shakin Don't know about cold but you look good naked Bring me my ones 'cus I ain't got patience Tryna turn up but a nigga steady weighin Put that pussy in my face, make it worth my while Maybe we can meet up at the after hour After that, hit the crib, you can take a shower After that, hit the bed, we gon fuck for hours Got the fame and the power, the bitches and the cheddar Nigga I'm a G and that's my favorite letter I bet you she won't leave, that's only if you let er I love the strip club, have to put it on my schedule I walk in, them hella bands Bitch! I need ones right now I walk in, them hella bands Bitch! I need ones right now I need ones right now (I need ones right now) I need ones right now (I need ones right now) I need ones right now I need ones right now uh Vibe til I fall, my nigga reppin prezzy Sippin on row, got my bars in my neggly Black mag 11, Porsche 911 Smash on their head, who the fuck is they Texas? I'm the motherfuckin kid, I was born for this shit Hit the club with my nigga, higher than a bit Yea, I'm lit, throwin up money while I pop Big shit, I'm a rich nigga, ho I drop big tips, European whips If you ordered it then it's me and you and fips 20000\$, need that shit right now Bitch you lookin at me like you finna go down I walk in, them hella bands Bitch! I need ones right now I walk in, them hella bands Bitch! I need ones right now I need ones right now (I need ones right now) I need ones right now (I need ones right now) I need ones right now I need ones right now uh Okay I walked in late, 30 minutes for their calls I got 10 bands, tell them bitches lose they clothes And you know just how I go Baby girl go and work the pole My paper real long and my entourage deep I need to get them haters removed from my dick I have to get the rollie removed from my wrist Now I'm rockin custom shit, Loubretton kicks Getting drunk and my niggas whilin I need change for 1000 And I'm a throw it in the air Pop the bottle then I pour it on her hair yea

I walk in, them hella bands

Bitch! I need ones right now
I walk in, them hella bands
Bitch! I need ones right now
I need ones right now (I need ones right now)
I need ones right now (I need ones right now)
I need ones right now
I need ones right now uh
