Travis Porter

Man, I've been rollin, smokin, drinkin,
Rollin, smokin, drinkin,
Man, I've been rollin, smokin, drinkin,

Yeah yo ho known to flirt!

Midnight purp, so my eye hurt
Og told me take a sip of syrup
Free my nigga squirt, grand daddy purp
We been gettin money
Say hit me on my turf!
Meet me in the dirt
Beat em out his shirt
Fuck it, gimmie, the whole 12

Meet me at the hotel, get you out that skirt
Roll my window up I'm rollin bitch!

Chorus:

Man, I've been rollin, smokin, drinkin,
Rollin, smokin, drinkin,
Man, I've been rollin, smokin, drinkin,
Rollin, smokin, drinkin,
And I've been rollin, smokin, drinkin,
And I've been roll, roll, rolling

Party, jumping in the vip
Hoes can't keep they hands out of me
Sour Diesel, White widow
Couple of vikes and a few skittles, in a bag.
Fill me up with beans I'm tryna see the sky
Pour me a cup of purple syrup to increase the high
I'm tryna get baked, tryna get a chick naked
Which one of you hoes gon go?
(Come here bitch!)

Chorus:

Man, I've been rollin, smokin, drinkin,

Grand daddy purple got me geeked up like Steve Urkel

I'm movin slow as a turtle on that midnight
And it got me up past curfew
Up past curfew on a jetpack
Want that v I don't want no xan
Imma get her and imma get her

That one girl said her name was Candace
She aint have on no panties
I told her I was twenty
And can get a little mannish.
And the other name was Tanya

She say she's going to school
Just to be a orthodon'tist
So her oral sex the best

Call her super head she need a S on her chest

And I've been roll, roll, rolling

Man, I passed out last night
Woke up to some head
Room service bringing me towels
While I eat breakfast in bed
I lean over count my bread
Check my time, hop out the bed
Told that bitch is time to go, cause all that laying...
I'm still fucked up,
Don't wanna get up
Room all fucked up
Don't wanna clean up!
But fuck it gon and call some bitches over
and we gon party, party, party
We ain't never sober!

Man, I've been rollin, smokin, drinkin,
Rollin, smokin, drinkin,
