## **Help Me Hold On**

## **Travis Tritt**

Baby, close that suitcase you've been packin'
Just sit down and talk to me a while
I know you tried to tell me what was lackin'
But I guess I must have missed it by a mile

Well, this time girl I swear to you I'll listen Help me understand where I went wrong It's hard to find myself in this position Scared that I'll go crazy once your gone

Help me hold on to what we had Once our love was strong, it can be again You said it takes two to make love last You were right all along, so help me hold on

What have I got to do to make it better? What have I got to do to make you see? That even though I promised you forever I never knew how hard that would be

I realize I took your love for granted
But I've learned that love worth havin' don't come free
And I'll pay any price it takes to keep you
Satisfied and stayin' here with me

Help me hold on to what we had Once our love was strong, it can be again You said it takes two to make love last You were right all along, so help me hold on

Help me hold on to what we had Once our love was strong, it can be again You said it takes two to make love last You were right all along, so help me hold on You were right all along, so help me hold on
