

Leave My Girl Alone

Travis Tritt

You better leave, you better leave my little girl alone
You better leave, you better leave my little girl alone
Lord, before I get evil man
And I go and do somethin' wrong

You call my house just yesterday
'Cause I picked up the extension and I heard every word you said
Why don't you just go on, man and leave my little girl alone
Lord, before I get evil man
'Cause I'm goin' to do somethin' wrong

You better leave, you better leave my little girl alone
You better leave, you better leave my little girl alone
Lord, before I get evil man
'Cause I'm goin' to do somethin' wrong
