

# Something Stronger Than Me

Travis Tritt

I always took pride standing on my own two feet  
I never leaned on anyone but me  
And I'm not braggin' but there's been times  
When I've looked the devil in the eye and never blinked  
But tonight, yeah tonight

I need something stronger than I've got to offer  
Don't know if I've ever felt this weak  
If I'm gonna make it without breakin' down on this dead end street  
I need somethin' stronger than me

I'm not much for drinking  
But if it stops the ache in my heart  
I'll try to drown it 'till the morning comes  
And I'll try praying  
God I'll try anything and everything I can  
To keep from giving up  
'Cause I know, Lord I know

I need something stronger than I've got to offer  
Don't know if I've ever felt this weak  
If I'm gonna make it without breakin' down on this dead end street  
I need somethin' stronger than me  
I need somethin'

Everything in me wants to pick up that telephone  
Even though I know it's wrong

I need something stronger than I've got to offer  
Don't know if I've ever felt this weak  
If I'm gonna make it without breakin' down on this dead end street  
I need somethin' stronger than me  
Somethin' stronger  
I need somethin' stronger than me
