

# Animals

Travis

I was sure I was right  
I was king for a day every night  
I was wrong, I was wrong  
And I knew where to go  
Every step was a step up the road  
I was on, I was on  
As I reach for the sky  
It was clear I couldn't fly  
'Cause I'm not that animal

All the animals are running after me  
It's all that I can do to stay on two feet  
All the animals are running to the sea  
And I give it away every night every day  
Every word that I say I'm an animal

So I land on a stage  
And I find that I'm slipping away  
Let it roll, let it roll  
And the heart plays a game  
Trying to fool the reptilian brain  
In control, in control  
Where I fly or I fight  
Wanna look into your eyes  
There's nothing but animal there

All the animals are running after me  
It's all that I can do to stay on two feet  
All the animals are running to the sea  
And I give it away every night every day  
Every word that I say I'm an animal

So let your walls come crashing down  
Let your dress fall to the ground  
Let me see your smile  
Let the call of the wild  
Be your words for awhile  
Be a song for awhile

All the animals are running after me  
It's all that I can do to stay on two feet  
All the animals are running to the sea  
And I give it away every night every day  
Every word that I say I'm an animal  
I'm an animal
