

Another Guy

Travis

You can say what you want
Say what you want
But it won't change a thing
Won't change a thing

You can say what you want
Say what you want
But it won't change a thing
Won't change a thing

Cause I saw you with another guy
I saw you with another guy
Yeah, I saw you with another guy
Holding hands, kissing eye to eye

You can cry all your like
Cry all you like
But it don't change a thing
Don't change a thing

You can cry all your like
Cry all you like
But it don't change a thing
Don't change a thing

Cause I saw you with another guy
I saw you with another guy
Holding hands, kissing eye to eye
Yeah, I saw you with another guy

Cause I saw you with another guy
I saw you with another guy
Yeah, I saw you with another guy
Holding hands, kissing eye to eye

You can say what you want
Say what you want
But it won't change a thing
Won't change a thing

You can say what you want
Say what you want
But it won't change a thing
