Everything is open
Nothing is set in stone
Rivers turn to oceans
Oceans tide you home
Home is where the heart is
But your heart had to roam
Drifting over bridges
Never to return
Watching bridges burn

You're driftwood floating underwater Breaking into pieces, pieces, pieces Just driftwood, hollow and of no use Waterfalls will find you, bind you, grind you

Nobody is an island
Everyone had to go
Pillars turn to butter
Butterflying low
Low is where your heart is
But your heart has to grow
Drifting under bridges
Never with the flow

And you really didn't think it would happen But it really is the end of the line So I'm sorry that you've turned to driftwood But you've been drifting for a long, long time

Everywhere there's trouble
Nowhere's safe to go
Pushes turn to shovels
Shovelling the snow
Frozen you have chosen
The path you wish to go
Drifting now forever
And forever more
Until you reach your shore

You're driftwood floating underwater Breaking into pieces, pieces, pieces Just driftwood, hollow and of no use Waterfalls will find you, bind you, grind you

And you really didn't think it would happen But it really is the end of the line So I'm sorry that you've turned to driftwood But you've been drifting for a long, long time You've been drifting, for a long, long Drifting for a long, long time
