Nobody really knows Where they're supposed to go Hiding behind a wall Afraid that they'll lose it all But it's alright Just follow the light And don't be afraid of the dark In the moonlight You'll dance till you fall And always be here in my heart But nobody wants to know 'Cos nobody even cares Everyone's on the make Yeah and everyone's out for themselves Me I'm on the longest road Where everything's overload But I've got my heart and soul So don't throw me overboard 'Cos it's alright Just follow the light And don't be afraid of the dark In the moonlight You'll dance till you fall And always be here in my heart 'Cos it's alright Just follow the light And don't be afraid of the dark In the moonlight You'll dance till you fall And always be here in my heart 'Cos it's alright, alright now And you're alright Yeah we're alright now
