

I Don't Mean to Get High

Travis

In this confusion, in this confusion
Peaceful solutions, peaceful solutions
Now I Don't Mean To Get High
I Don't Mean To Get High
I don't mean to get
I Don't Mean To Get High
But you're going to die

It's evolution, it's evolution
Breathe the polution, breathe the polution
Now I Don't Mean To Get High
I Don't Mean To Get High
I don't mean to get
I Don't Mean To Get High
But you're going to die

Yee-hah!
Holy shit!
Woo-hoo!

All this confusion, all this confusion (Yeah, yeah,
yeah, yeah)
All this dillusion, all this dillusion (Yeah, yeah,
yeah, yeah)
Now I Don't Mean To Get High
I Don't Mean To Get High
I don't mean to get
I Don't Mean To Get High
But you're going to die

Yeah-hah!
Come on
Now I'm gonna go fuckin' home
No I'm gonna go fuckin' home
Fuck your arse
Goodbye!
