New York, New York,
Good bye girl

And they meet
On Blaker Street
Or the Park that is Central
Oh no
I watched the sun go down
Down down beneath the ground
And it's a new day,
It's a new dawn,
In New Amsterdam.

The stranger in the moonlight,
Looks stranger in the moonlight

And they meet
On Blaker Street
Or the Park that is Central
Oh no
I watched the sun go down
Down down beneath the ground
And it's a new day,
It's a new dawn,
In New Amsterdam.

And we meet
On Blaker Street
Or the Park that is Central
Oh no
I watched the sun go down
Down down beneath the ground
And it's a new day,
It's a new dawn,
In New Amsterdam.
