

## Pipe Dreams

Travis

I read it all, every word  
And I still don't understand a thing  
What had you heard?  
What had you heard  
Was it love, was it take another walk in the dark?  
You'll never learn  
I'd pray to God if there was heaven  
But heaven seems so very far from here  
And it all boils down to the same old thing  
Just a yin and a yang or a couple of pipe dreams  
And it all boils down to the same old pain  
Whether you win or lose isn't gonna change a single thing  
I stood in line and a thought crossed my mind  
I had been dreaming but I didn't mind  
I signed the line and the woman looked right through me  
She didn't smile  
I'd pray to God if there was heaven  
But heaven seems so very far from here  
And it all boils down to the same old thing  
Just a yin and a yang or a couple of pipe dreams  
And it all boils down to the same old pain  
Whether you win or lose isn't gonna change a single thing  
I'd pray to God if there was heaven  
But heaven seems so very far from here  
And it all boils down to the same old thing  
Just a yin and a yang or a couple of pints please  
And it all boils down to the same old pain  
Whether you win or lose isn't gonna change a single thing  
And it all boils down to the same old fear  
Just a link in a chain, just a puppet on a string  
And it all boils down to the same old fear  
Whether you win or you lose  
Whether you win or you lose  
Whether you win or you lose  
Whether you win or you lose
