1. Well I believe there's someone watching over you
They're watching every single thing you say
And when you die they'll set you down and take you through
You'll realise one day how.....

R: That the grass is always greener
on the otherside
The neighbour's got a new car
that you wanna drive
And when time is running out you want to stay alive....

2. We all live under the same sky,
we all will live, we all will die, there is no

We all try hard to live our lives in harmony
For fear of falling swiftly overboard
But life is both a major and a minor key
