

When I'm Feeling Blue (Days of the Week)

Travis

When I'm feeling blue
I close my eyes and think of you
Standing by a pool
I hope that you remember too
On a lonely long and winding road
Hopelessly and lonely you're not alone
And all alone

When I'm feeling grey
I close my eyes and drift away...
On another day
But not today
Another day
On a lonely long and winding road
Hold me still and tell me I'm not alone

Monday, Tuesday, Wednesday, Thursday
Friday, Saturday, Sunday morning
Monday, Tuesday, Wednesday, Thursday
Friday, Saturday, Sunday morning comes
