

No Reason

Treat Her Right

I got sucker punched in the eye
I went off the road on a patch of ice
Grabbed the roof but the earth caved in
Oh I thought I was lucky then

There's no reason in this life
Someone lives and someone dies
And it should come as no surprise
Cause there's no reason in this life

Took a knife wound in the chest
They took my money then they left me for dead
Man is killed at a traffic light
I thought that could have been me inside

You know I went to the beach but I didn't swim
Just watched the waves come breakin in
Someone try to answer why
Lord I'm alive and my brothers died

No reason in this life (X4)
