

# All In

Treat

Yeah  
Cmon  
Now listen

Lifes a gamble, I wont get caught  
I fight to the end  
Run the bluff and call the shots  
Im on tack again

But I, cant control it  
Heads are rolling  
I take my chances  
Theres only one way out Im going...

All in trippin, all night in the city of sin  
All in holding on tight, the timing is right  
Al in theyll do anything to get under my skin  
Im calling back on the step, Im going  
All in, all in

Gloves are off, my games dead on  
I take what I need  
Place my bets and seal my face  
In the dark of greed

And I...  
Cant control it  
Bones are rolling  
And stakes get higher  
Im going...

All in trippin, all night in the city of sin  
All in holding on tight, the timing is right  
Al in theyll do anything to get under my skin  
Im calling back on the step

Cant control it  
Heads are rolling  
And I take my chances  
Going...

All in trippin, all night in the city of sin  
All in holding on tight, read the cards right  
Al in theyll do anything to get under my skin  
Im calling yeah back on the step

All in trippin, all night in the city of sin  
All in holding on tight,  
Im going all in  
All in  
All in  
All in  
All in
